

PRESS RELEASE 1 SEPTEMBER 2014

Italeaf S.p.A. is approved for listing on NASDAQ OMX First North and publishes Company Description

Italeaf S.p.A. ("Italeaf") has been approved for trading on NASDAQ OMX First North. The first day of trading on NASDAQ OMX First North is Thursday, 4 September 2014.

The shares in Italeaf are represented by Swedish Depository Receipts (SDRs). The SDRs will trade under the ticker symbol ITAL with the ISIN code: SE0006143103.

"Our listing on the NASDAQ OMX First North is a major corporate milestone for our Company and a testament to the tremendous progress we have made over the past few years." stated Dr. Monica Federici, CEO of Italeaf. "We are an innovative company, and as such, we have chosen a pioneer road: we are the first Italian company listed in the Nordic Market, the first to approach the stock exchange with a company builder business model and, at last, the first to turn to investors who believe in environmentally sustainable technology investments. We believe that the listing on NASDAQ will help broaden our shareholder base, increase appeal to institutional investors, provide us with better liquidity and ultimately contribute to increasing shareholder value".

The Company has published a company description that has been approved by NASDAQ OMX and is available on Italeaf's website <http://www.italeaf.com/wp-content/uploads/2014/07/CompanyDescription-ItaleafSpA.pdf> and on Mangold's website, <http://mangold.se/Mangoldonline/uploads/news/CompanyDescription-ItaleafSpA.pdf>.
